

First Ever Fully Blockchain Powered Car Rental Company  
Allows You To Drive (Rent) A Car Almost Free

WhitePaper

# METTA PROTOCOL

Technology that allows you to rent a car using crypto currencies and recycle the process with an NFT receipt which you can sell to make your money back.

# DRIVE ALMOST “FREE”

Looking for an affordable and sustainable way to get around? Look no further than Metta Car Rental. With our unique "Drive almost Free" program, you can rent a car and earn free Metta Tokens just by holding onto your rental NFT receipt. Or, if you're looking to make a quick profit, you can sell your NFT receipt for ETH. It's the perfect way to get where you need to go without harming the environment. So why wait? Sign up today and start driving almost free!

# METTA TOKEN

Looking to add a little zen to your travels? Well, now you can with Metta Tokens! Metta is a new cryptocurrency that you can earn simply by renting a car from us. That's right, hold on to your NFT rental receipt and you'll receive FREE Metta Tokens! So what are these tokens for? They can be used to book future rentals, purchase merchandise, or even traded in for other currencies. So start your journey to zen-like peace of mind today with Metta Tokens!

As a special thank-you for doing business with us, we're happy to give you FREE Metta Tokens just for holding the provided NFT receipt.

Metta Tokens are a revolutionary new way to show appreciation and build relationships. By giving customers free Metta Tokens, we're showing our appreciation for their business in a way that goes above and beyond traditional customer service.
